KNU

2018 - 2023

Tech Stack

Rest API | ⚛ React | Ⓐ Angular | Ⅴ Vue | Vuetify | JavaScript | MySQL

Experience

○ **Frontend Developer**   Lytvynov Production

January 2024 - September 2024

Developed a visually stunning digital platform with React and Redux, featuring intricate email templates, an intuitive admin dashboard, and seamless CRM-ERP integration at Lytvynov Production.

React | Redux | Next | Vue | AWS

○ **Frontend Developer**   Lytvynov Production

October 2022 - December 2022

Experienced in developing responsive web design with expertise in Angular, CSS, HTML, JavaScript, collaborative teamwork, and client-side development.

○ **Frontend Developer**   Frelance worker

June 2022 - July 2023

During my tenure as a freelance developer, I contributed to a diverse array of captivating projects, including striking landing pages and innovative custom projects developed from the ground up.

○ **Frontend Web Developer**   VENCON.UA

August 2020 - February 2022

Expertise in crafting beautiful and responsive client-side web development through HTML5, CSS, and JavaScript, with a strong focus on creating engaging user experiences.

>> During my 5 years of experience, I have had the wonderful opportunity to contribute to complex startups as a Frontend Developer, refining my craft in website and web application development, mastering modern technologies, and currently broadening my skills in Angular, all while exemplifying strong teamwork and communication abilities.
